- xi. Comment (Greg LaPointe, VPSA and Chief Outcomes Officer, CCRI): Some areas that we could use help on:
 - (1) JAA in secondary education
 - (2) Creation of online Registered Nursing-to-Bachelor of Science in Nursing (RN to BSN) program

 - (1) Comment: There may be small corrections to the policy as we go through the first year, but the main document is stable and follows closely the legislation creating the scholarship.
 - (2) Question (Mike Mello): How do students chose between two years of Promise at CCRI then two years of paid tuition at RIC versus 1st two years at RIC paying tuition then two years of Hope scholarship? General consensus is that different students would gain more benefit from the programs based upon several factors other than simply cost of tuition.

Rhode Island Council on Postsecondary Education Wednesday, October 4, 2023

(3) Question (Mike Mello and Lawrence Purtill): Should the state look more closely at the category of students (full Pell eligibility) who might attend CCRI under Promise but then face tuition at RIC that exceeds Pell support?
